CONTORT YOURSELF

**Curated by first year MA Curating Contemporary Art (Inspire),
Royal College of Art in partnership with Acme Studios.**

**Contort Yourself brings together the work of three UK based artists who twist, stretch,
and re-appropriate the construction of self, through performance, digital video and sound.**

**Presenting video work by artists DAVID BLANDY and HAROLD OFFEH, alongside a new sound commission
by JAN HENDRICKSE, Contort Yourself and its accompanying programme of events will explore
the idea of an 'authentic' self-realisation, and critique processes of identity formation and re-formation.**

**Acme Project Space is a multi-purpose venue located at Acme's major studio building
at Bonner Road, Bethnal Green. It supports a range of activities including an expanding Residency,
Awards & Community programme and a major International Residencies Programme
with exhibitions, presentations, seminars and events.**
